

# Catholic Marriage Preparation

The Catholic Marriage Preparation weekend allows couples who have made a commitment to one another to spend some time together planning for their future with other like-minded couples. Through a series of ideas presented by a team of two Catholic married couples and a priest, the engaged couple is encouraged to discuss all aspects of married life. Throughout the weekend, couples will have the opportunity to share their personal reflections with each other and participate in group discussions on a variety of topics intended to explore the meaning of commitment through Catholic marriage.

## ***When should a couple attend?***

It is highly recommended that couples take part in a weekend as soon as they decide to marry, preferably 6 months prior to the wedding.

## ***Can only Catholic couples attend?***

Although the weekend is Catholic in orientation and presented by Catholic couples and priests, Catholics who were planning to marry a person of another faith have found the weekend to be an ideal way to prepare for their marriage.

## ***Where is the session held?***

Catholic Marriage Preparation sessions are held in the basement church hall of **St. Anthony's Parish**, which is located at **274 Fifth Avenue, Timmins**. For those travelling from outside of Timmins, the church is centrally located and easily accessible from Hwy. 101. Should you require assistance with directions, please call Dana or Brian Perreault at 705-267-3668.

## ***What do I need to bring to the session?***

This is a retreat-type weekend and we ask that you do not bring or consume any alcoholic beverages. Those couples not complying with this request will be asked to leave, forfeiting their registration and official completion.

We suggest that you plan to wear comfortable, casual clothing. Since most of the weekend will be spent sitting in chairs, please feel free to bring a cushion or backrest to ensure your comfort. The group of participating couples will be attending mass together on Saturday at 6:00 p.m. If you would like to bring a change of clothes, please feel free, but note it is not mandatory that you dress up.

Throughout the weekend we will provide refreshments including coffee, tea, bottled water, & pop free of charge. Please feel free to bring your own coffee mug or water bottle. It has been customary to prepare a snack table furnished with an assortment of goodies that are supplied by the participants. We ask that you bring your favourite snack on Friday evening (fruit, veggies and dip, cookies, chips, etc.) to help stock the snack table. Lunch will be catered in for all attending couples on Saturday, and pizza will be provided in the afternoon.
